

Lake Winnebago Regulation Strategy Meeting

The public is invited to attend the interagency coordination meeting concerning the regulation of the outflows from Lake Winnebago into the lower Fox River. The meeting will be held at the J a Restaurant in Appleton on October 20, 2004 at 9:00 AM.

This meeting is being conducted to exchange information between the Corps of Engineers and representatives of other groups that have expressed an interest in the water resources management of the Lake Winnebago Basin.

The meeting agenda is as follows:

- a. Regulation Actions, October 2003 - September 2004
- b. Regulation Strategy, October 2004 - September 2005
- c. Other Items of Concern

We look forward to your participation. If you have any questions, please contact Mr. David Barilovich at (313) 226-5315.
